Introducing Ron Graves Speaker for your next conference, convention or meeting

About Ron Graves

Ron Graves has traveled the country with his optimistic message for more than 10 years. He not only talks about overcoming adversity through optimism—he lives it!

Ron became a professional motivational speaker after successful careers in the insurance industry and the military reserves. His experience in sales, training and recruiting taught him that too many people give up in the face of adversity. But, those who can maintain a positive attitude—even in the face of extreme hardship—often achieve extraordinary things. Today he inspires business leaders across the country with his own “secret ingredient for success” – a ***Positively Optimistic Attitude***.

Ron is available for keynote presentations or breakout sessions, and can provide a co-presenter when you require a session 3+ hours in duration.
